STATEMENT BY APPLICANT

I, the undersigned, hereby apply for admission to the Australian Medical Laser Association, Inc., and agree to support the Association's objects and abide by its rules and by-laws.

By applying for membership, I accept that the information I provide may be shared with other members of AMLA [through the Council] but will not be divulged to other organisations or businesses.

Signature: _____ Date: _____

Please photocopy this form and return to the address listed above with your payment enclosed.

This document will be a Tax Invoice when payment is made - please retain a copy for your records.

AUSTRALIAN MEDICAL LASER ASSOCIATION, INC.

Membership Classes

- ⇒ Full
- ⇒ General
- ⇒ Student
- ⇒ Corporate

Full Members

Persons having the following tertiary qualifications may apply to the Council to be admitted as Full Members of the Association:

- ⇒ persons duly qualified and registered in any place with any proper authority as medical practitioners.
- ⇒ persons duly qualified and registered in any place with any proper authority as dental practitioners.
- ⇒ persons duly qualified and registered in any place with any proper authority as veterinary practitioners.
- ⇒ persons duly qualified and registered in any place with any proper authority as physiotherapists.
- ⇒ persons of PhD status, or equivalent as may be defined by the Council from time to time, who do not otherwise qualify for Full Membership but whose demonstrable experience or expertise in the fields of laser medicine, photobiomodulation or allied sciences is, at the unfettered discretion of the Council, deemed to be advantageous to the attainment of the objects of the Association.

Full Members have voting rights, and are eligible for election to Council and as Office Bearers.

General Members

The following persons may apply to the Council to be admitted as General Members of the Association:

- ⇒ persons duly qualified and registered in any place with any proper authority as nurses and/or allied health practitioners.
- ⇒ persons engaged in teaching the courses of tertiary study leading to entry into the professions referred to in clause (3) (a).
- ⇒ scientists, engineers and technicians involved in the study, support, regulation or advancement of laser medicine, photobiomodulation or allied sciences.

General Members are entitled to the benefits of Association membership, but do not have voting rights and are ineligible for election to Council.

Student Members

The following persons may apply to the Council to be admitted as Student Members of the Association:

- ⇒ persons pursuing a course of study leading to entry into the professions which qualify for Full Membership.

Student Members are entitled to the benefits of Association membership, but do not have voting rights and are ineligible for election to Council.

Corporate Members

The Council may, at its unfettered discretion, admit to Corporate Membership any organization or individual involved in the business or industry of laser medicine, photobiomodulation or allied sciences. Corporate Members may nominate one representative, who does not meet the membership requirements of any other class, to become a General Member.

Corporate Members are entitled to the benefits of Association membership, but do not have voting rights and are ineligible for election to Council.
